SUMMARY OF THIS NOTICE

Statement of Class Recovery

Pursuant to the Settlement described herein, a \$42.5 million Settlement Fund is being provided. The Settlement Fund was negotiated based on an analysis by Lead Plaintiff and Lead Counsel of the estimated dollar value of claims likely to survive summary judgment and anticipated appeals. Lead Plaintiff estimates that there were approximately 235,140,000 shares of Baxter common stock which may have been damaged during the Class Period based on Lead Plaintiff's estimate of the maximum amount of damages that could have been recovered.¹ Lead Plaintiff estimates that if Class Members submit claims for 100% of the shares eligible for distribution, the estimated average distribution will be approximately \$0.18 per damaged share before deduction of any taxes on the income thereof, notice and administration costs, and the attorneys' fee and expense award as determined by the Court. Historically, actual claims rates are less than 100%, which result in higher distributions per share. A Class Member's actual recovery will be a proportion of the Net Settlement Fund determined by that claimant's Recognized Claim as compared to the total Recognized Claims submitted. An individual Class Member may receive more or less than this average amount depending on the number of claims submitted, when during the Class Period a Class Member purchased or acquired Baxter publicly traded common stock, the purchase or acquisition price paid, and whether those shares were held at the end of the Class Period or sold during the Class Period, and, if sold, when they were sold and the amount received. See Plan of Allocation as set forth at pages 8-12 below for more information on your Recognized Claim.

Statement of Potential Outcome of Case

The parties disagree on both liability and damages and do not agree on the average amount of damages per share that would be recoverable if the Class prevailed on each claim alleged. The Defendants deny that they are liable to the Class and deny that the Class has suffered any damages.

Statement of Attorneys' Fees and Expenses Sought

Lead Counsel will apply to the Court for an award of attorneys' fees not to exceed twenty-six percent (26%) of the Settlement Fund, plus expenses not to exceed \$1,350,000, plus interest earned on both amounts. Since the Action's inception, Lead Counsel have expended considerable time and effort in the prosecution of this litigation on a contingent fee basis and advanced the expenses of the litigation in the expectation that if they were successful in obtaining a recovery for the Class they would be paid from such recovery. In this type of litigation it is customary for counsel to be awarded a percentage of the common fund recovery as their attorneys' fees. The requested fees and expenses amount to an average of approximately \$0.05 per damaged share.

Reasons for the Settlement

The principal reason for the Settlement is the benefit to be provided to the Class now. This benefit must be compared to the risk that no recovery might be achieved after a contested trial and likely appeals, possibly years into the future.

BASIC INFORMATION

1. Why did I get this notice package?

You or someone in your family may have purchased or acquired Baxter publicly traded common stock during the period from June 10, 2009 through and including May 3, 2010 ("Class Period").

The Court directed that this Notice be sent to Class Members because they have a right to know about the proposed Settlement of this class action lawsuit, and about all of their options, before the Court decides whether to

¹ An allegedly damaged share might have been traded more than once during the Class Period, and the indicated average recovery would be the total for all purchasers of that share.

approve the Settlement. If the Court approves the Settlement and after objections and appeals, if any, are resolved, the Claims Administrator appointed by the Court will make the payments provided for in the Settlement.

This Notice explains the class action lawsuit, the Settlement, Class Members' legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the Action is the United States District Court for the Northern District of Illinois, and the case is known as *City of Lakeland Employees Pension Plan v. Baxter International Inc., et al.*, No. 1:10-cv-06016. The case has been assigned to the Honorable John J. Tharp, Jr. The pension fund representing the Class, National Elevator Industry Pension Fund, is the "Lead Plaintiff," and the company and persons it sued and who have now settled are called the Defendants.

2. What is this lawsuit about?

This litigation began on September 21, 2010, when a putative class action alleging violations of federal securities laws was filed in the Court. The Court appointed the law firm of Robbins Geller Rudman & Dowd LLP as Lead Counsel.

On April 15, 2011, Lead Plaintiff filed the Amended Consolidated Class Action Complaint (the "Complaint"), that generally alleges, among other things, that during the Class Period, Defendants artificially inflate the Company's stock price by misrepresenting and omitting material information concerning the true status of the remediation of the Company's Colleague infusion pump devices and the state of and outlook of the Company's plasma business. Lead Plaintiff avers that Defendants' allegedly false and misleading statements and omissions artificially inflated the price of Baxter stock and when the truth was eventually disclosed, resulted in substantial damages to the Class.

The Complaint further alleges that Class Members purchased Baxter common stock during the Class Period at prices artificially inflated as a result of the Defendants' dissemination of materially false and misleading statements, and asserts claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder.

Defendants moved to dismiss the Complaint, and Lead Plaintiff opposed the motion. On January 23, 2012, the Court entered an order granting in part, and denying in part, Defendants' motion to dismiss. Defendants filed their answer to the Complaint on August 27, 2012, and on January 28, 2013, Lead Plaintiff filed its motion for class certification.

The parties attended mediation on March 12, 2015, but were unable to resolve the case. The parties continued their discussions with the assistance of the mediator, and following several months of arm's-length negotiations, reached an agreement-in-principle to settle the litigation on the terms set forth herein.

Defendants deny each and all of the claims and contentions alleged by Lead Plaintiff in the litigation. Defendants contend that they did not make any false or misleading statement, that they disclosed all information required to be disclosed by the federal securities laws, and that any omitted or misstated information was not material. Defendants also contend that any losses suffered by members of the Class were not caused by any false or misleading statements by Defendants and/or were caused by intervening events.

3. Why is this a class action?

In a class action, one or more people called the plaintiff sues on behalf of people who have similar claims. All of the people with similar claims are referred to as a class or class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a settlement?

The Court did not decide in favor of the Defendants or of the Class. Instead, both sides agreed to the Settlement to avoid the risks and cost of further litigation, and Lead Plaintiff agreed to the Settlement in order to ensure that Class Members will receive compensation. Continuing to litigate the case would require all parties to expend substantial resources. If the litigation continued, both sides would engage in extensive and time-consuming litigation concerning summary judgment. Lead Plaintiff believes much of the proof in this litigation would be highly technical, making the outcome of any trial unpredictable. Lead Plaintiff and Lead Counsel believe the Settlement is in the best interest of all Class Members in light of the possibility that continued litigation could result in no recovery at all.

WHO IS IN THE SETTLEMENT

To see if you will get money from this Settlement, you first have to evaluate if you are a Class Member.

5. How do I know if I am part of the Settlement?

The Court directed that everyone who fits this description is a Class Member: ***all persons who purchased or otherwise acquired Baxter common stock during the period from June 10, 2009 through and including May 3, 2010***, except those persons and entities that are excluded, as described below.

6. Are there exceptions to being included?

Excluded from the Class are the Defendants, the officers and directors of Baxter during the Class Period, members of their immediate families, and their legal representatives, heirs, successors or assigns, and any entity in which a Defendant has or had a controlling interest. Also excluded from the Class are any Class Members who exclude themselves by submitting a request for exclusion in accordance with the requirements set forth in question 13 below.

If one of your mutual funds own Baxter common stock, that alone does not make you a Class Member. You are a Class Member only if you directly purchased or acquired Baxter common stock during the Class Period. Contact your broker to see if you have purchased or acquired Baxter common stock.

If you sold Baxter common stock during the Class Period, that alone does not make you a Class Member. You are a Class Member only if you ***purchased or acquired*** Baxter common stock, as defined above.

7. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at 1-877-255-2630, or you can fill out and return the Proof of Claim Form enclosed with this Notice package, to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the Settlement provide?

In exchange for the Settlement and dismissal of the Action, Defendants have agreed that a payment of \$42.5 million will be made by Defendants (or on their behalf) to be divided, after taxes, fees, and expenses, among all Class Members who send in a valid Proof of Claim Form.

9. How much will my payment be?

Your share of the fund will depend on the total Recognized Claims represented by the valid Proof of Claim Forms that Class Members send in, the number of shares of Baxter common stock you purchased or acquired, how much you paid for the shares, when you purchased or acquired, and if you sold your shares and for how much.

By following the instructions in the Plan of Allocation, you can calculate what is called your Recognized Claim. It is unlikely that you will get a payment for all of your Recognized Claim. After all Class Members have sent in their Proof of Claim Forms, the payment you get will be a part of the Net Settlement Fund equal to your Recognized Claim divided by the total of everyone's Recognized Claim. See the Plan of Allocation at pages 8-12 hereof for more information on your Recognized Claim.

HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM

10. How can I get a payment?

To qualify for a payment, you must submit a Proof of Claim Form. A Proof of Claim Form is enclosed with this Notice or it may be downloaded at www.baxtersecuritiessettlement.com. Read the instructions carefully, fill out the Proof of Claim Form, include all the documents the form asks for, sign it, and mail or submit it online so that it is postmarked or received no later than January 7, 2016. The claim form may be submitted online at www.baxtersecuritiessettlement.com.

11. When would I get my payment?

The Court will hold a Settlement Hearing on January 22, 2016, to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals. It is always uncertain how these appeals will be resolved, and resolving them can take time, perhaps more than a year. It also takes time for all the Proof of Claim Forms to be processed. Please be patient.

12. What am I giving up to get a payment or to stay in the Class?

Unless you exclude yourself, you will remain a Class Member, and that means that, if the Settlement is approved, you will release all "Released Claims" (as defined below), including "Unknown Claims" (as defined below), against the "Released Persons" (as defined below):

- "Released Claims" means any and all claims, causes of action, rights, actions, suits, obligations, debts, demands, judgments, agreements, promises, liabilities, damages, losses, controversies, costs, expenses or attorney fees, of every nature and description whatsoever that were, may have been, or could have been asserted in the Action and whether direct or indirect, now known or unknown, suspected or unsuspected, accrued or unaccrued, in law or in equity whether having arisen or yet to arise, including, without limitation, any claims of violations of federal or state securities laws and any federal or state claims of fraud, intentional misrepresentation, negligent misrepresentation, negligence, gross negligence, breach of duty of care and/or breach of duty of loyalty, breach of fiduciary duty, or violations of any state or federal statutes, rules or regulations (including "Unknown Claims" as defined below), that have been or could have been alleged or asserted now or in the future by the Lead Plaintiff or any Class Member against Defendants or any of them or any of the Released Persons in this Action or in any other court action or before any administrative body, tribunal, arbitration panel, or other adjudicatory body, arising out of, relating to, or in connection with both a Class Member's purchase(s), acquisition(s), or sale(s) of Baxter common stock during the Class Period and from the acts, facts, transactions, events, occurrences, disclosures, statements, omissions, or failures to act that were alleged, may have been alleged, or could have been alleged in the Action.
- "Released Persons" means each and all of Defendants and each and all of their Related Persons.
- "Unknown Claims" means any Released Claims which Lead Plaintiff or any Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of the Released Persons which, if known by him, her, or it, might have affected his, her or its settlement with and release of the Released Persons, or might have affected his, her or its decision not to object to this Settlement. With respect to any and all Released Claims, the Settling Parties stipulate and agree that, upon the Effective Date, Lead Plaintiff shall expressly, and each Class Member shall be deemed to have, and by operation of the Judgment shall have, expressly waived to the fullest extent permitted by law the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Lead Plaintiff shall expressly, and each Class Member shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542. Lead Plaintiff and Class Members may hereafter discover facts in addition to or different from those that he, she, or it now knows or believes to be true with respect to the subject matter of the Released Claims, but Lead Plaintiff shall expressly, and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, intentional, with or without malice, or a breach of any duty, law, or rule,

without regard to the subsequent discovery or existence of such different or additional facts, whether or not previously or currently asserted in any action. Lead Plaintiff acknowledges, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and an essential term of the Settlement of which this release is a part.

If you remain a member of the Class, all of the Court's orders will apply to you and legally bind you.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, but you want to keep the right to sue one or more of the Defendants and the other Released Persons, on your own, about the legal issues in this case, then you must take steps to remove yourself from the Settlement. This is called excluding yourself – or is sometimes referred to as “opting out.”

13. How do I get out of the proposed Settlement?

To exclude yourself from the Class, you must send a letter by First-Class Mail stating that you “request exclusion from the Class in the *Baxter Securities Litigation*.” Please include in your letter the date(s), price(s), and number(s) of all purchases, acquisitions, and sales of publicly traded Baxter common stock during the Class Period. In addition, you must include your name, address, telephone number, and your signature. You must submit your exclusion request **postmarked no later than December 18, 2015** to:

Baxter Securities Litigation
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 8040
San Rafael, CA 94912-8040

If you ask to be excluded, you will not get any payment, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue the Defendants and the other Released Persons in the future.

14. If I do not exclude myself, can I sue the Defendants and the other Released Persons for the same thing later?

No. Unless you exclude yourself, you give up any rights to sue the Defendants and the other Released Persons for any and all Released Claims. If you have a pending lawsuit against the Released Persons speak to your lawyer in that case immediately. You must exclude yourself from this Action to continue your own lawsuit. Remember, the exclusion deadline is **December 18, 2015**.

15. If I exclude myself, can I get money from the proposed Settlement?

No. If you exclude yourself, you may not send in a Proof of Claim Form to ask for any money. But, you may sue or be part of a different lawsuit against Defendants and the other Released Persons.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court ordered that the law firm of Robbins Geller Rudman & Dowd LLP represent the Class Members, including you. These lawyers are called Lead Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

Lead Counsel are moving the Court to award attorneys' fees in an amount not greater than twenty-six percent (26%) of the Settlement Fund and for expenses in an amount not to exceed \$1,350,000, which were incurred in connection with the litigation, plus interest earned on both amounts. Such sums as may be approved by the Court will be paid from the Settlement Fund.

OBJECTING TO THE SETTLEMENT

18. How do I tell the Court that I do not like the proposed Settlement?

If you are a Class Member, you can object to the proposed Settlement. You can give reasons why you think the Court should not approve it. The Court will consider your views. To object, you must send a signed letter saying that you object to the proposed Settlement in the *Baxter Securities Litigation*. Be sure to include your name, address, telephone number, and your signature; identify the date(s), price(s), and number(s) of shares of Baxter publicly traded common stock you purchased, acquired, and sold during the Class Period; and state the reasons why you object to the proposed Settlement. Your objection must be mailed or delivered to each of the following addresses **postmarked no later than December 18, 2015**:

COURT	LEAD COUNSEL	DEFENDANTS' COUNSEL
Clerk of the Court United States District Court Northern District of Illinois Everett McKinley Dirksen United States Courthouse 219 South Dearborn Street Chicago, IL 60604	ROBBINS GELLER RUDMAN & DOWD LLP Jeffrey D. Light 655 West Broadway, Suite 1900 San Diego, CA 92101	SKADDEN, ARPS, SLATE, MEAGHER & FLOM LLP Matthew R. Kipp 155 North Wacker Drive Chicago, IL 60606

19. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you do not like something about the proposed Settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend and you may ask to speak, but you do not have to.

20. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a settlement hearing at 1:00 p.m., on Friday, January 22, 2016, at the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, Courtroom 1419, 219 South Dearborn Street, Chicago, IL 60604 (the "Settlement Hearing"). At the hearing the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay to Lead Counsel and the Lead Plaintiff. After the Settlement Hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

21. Do I have to come to the hearing?

No. Lead Counsel will answer questions the Court may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

22. May I speak at the hearing?

If you object to the Settlement, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 18 above) a statement saying that it is your "Notice of Intention to Appear in the *Baxter Securities Litigation*." Persons who intend to object to the Settlement, the Plan of Allocation, and/or the application for an award of attorneys' fees and expenses and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. You cannot speak at the hearing if you excluded yourself.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will get no money from this Settlement. But, unless you exclude yourself, you will not be able to start a lawsuit or be part of any other lawsuit against the Released Persons about the legal issues in this case, ever again.

GETTING MORE INFORMATION

24. Are there more details about the proposed Settlement?

This Notice summarizes the proposed Settlement. More details are in the Amended Settlement Agreement dated August 27, 2015 (the "Settlement Agreement"). You can get a copy of the Settlement Agreement and obtain answers to common questions regarding the proposed Settlement by contacting the Claims Administrator toll-free at 1-877-255-2630. A copy of the Settlement Agreement is also available on the Settlement website at www.baxtersecuritiessettlement.com.

25. How do I get more information?

For even more detailed information concerning the matters involved in this Action, reference is made to the pleadings, to the Settlement Agreement, to the Orders entered by the Court and to the other papers filed in the Action, which may be inspected at the Office of the Clerk of the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, IL 60604, during regular business hours. For a fee, all papers filed in this Action are available at www.pacer.gov.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

The Settlement amount of \$42.5 million and any interest earned thereon shall be the "Settlement Fund." The Settlement Fund, less all taxes, approved costs, fees, and expenses (the "Net Settlement Fund") shall be distributed to Class Members who submit timely and valid Proof of Claim Forms to the Claims Administrator ("Authorized Claimants").

The Net Settlement Fund will be distributed to Class Members who submit valid, timely Proof of Claim Forms ("Claimants") under the Plan of Allocation (the "Plan") described below. The Plan provides that Claimants will be eligible to participate in the distribution of the Net Settlement Fund only if Claimants purchased or acquired Baxter common stock during the "Class Period," June 10, 2009 through and including May 3, 2010.

For purposes of determining the amount a Claimant may recover under the Plan, Lead Counsel conferred with their damage consultants and the Plan reflects an assessment of the damages that they believe could have been recovered had the Lead Plaintiff prevailed at trial. Defendants have had, and shall have, no involvement or responsibility for the terms or application of the Plan described herein. The Court may approve the Settlement and Settlement Agreement, even if it does not approve the Plan of the Settlement proceeds.

A. Recognized Claim

To the extent there are sufficient funds in the Net Settlement Fund, each Claimant will receive an amount equal to the Claimant's "Recognized Claim," as described below. If, however, as expected, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Claim of each Claimant, then each Claimant shall be paid the percentage of the Net Settlement Fund that each Claimant's Recognized Claim bears to the total of the Recognized Claim of all Claimants – *i.e.*, the Claimant's *pro rata* share of the Net Settlement Fund. Payment in this manner shall be deemed conclusive against all Claimants.

The proposed Plan reflects the Lead Plaintiff's allegations that over the course of the Class Period, the trading prices of Baxter common stock were artificially inflated as a result of the Defendants' misrepresentations and omissions concerning this matter.

Estimated damages and the Plan were developed based on event study analysis, which determines how much artificial inflation was in the stock price on each day during the Class Period by measuring how much the stock price was inflated as a result of misrepresentations and omissions and declined as a result of disclosures that corrected the alleged misrepresentations and omissions. Because the alleged misrepresentations and omissions increased the artificial inflation over the Class Period and the alleged corrective disclosures reduced the artificial inflation in stages over the course of the Class Period, the damages suffered by any particular Claimant depends on when that Claimant purchased and sold shares, or retained shares beyond the end of the Class Period.

1. Calculation of Recognized Claim

Based on the foregoing, and for purposes of this Settlement only, Recognized Claims will be calculated as follows:

A Claimant's Recognized Gain amounts (as calculated below), if any, will be netted against that Claimant's Recognized Loss amounts (as calculated below), if any. For Baxter common stock purchased or acquired by a Claimant during the Class Period, the Recognized Loss (or Gain) for all of the Claimant's purchases or acquisitions will be totaled. Recognized Gains and Losses, in other words, will be netted or aggregated. If a Claimant has an overall net Recognized Gain on purchases, acquisitions, and sales of Baxter common stock during the Class Period, the Claimant will not be eligible to receive a distribution from the Net Settlement Fund. If a Claimant has an overall net Recognized Loss on all of the Claimant's purchases, acquisitions, and sales of Baxter common stock during the Class Period, the Claims Administrator will then calculate the Claimant's Recognized Claim.

Table 1 below provides the per share decline in artificial inflation for each period during the Class Period.

Each Claimant's Recognized Losses, if any, will be computed as follows:

For each share of Baxter common stock purchased or otherwise acquired during any of the periods shown in the left column of Table 1, and:

- a. sold within the same period, the Recognized Loss per share is zero.
- b. sold in a subsequent period, the Recognized Loss per share is the lesser of:
 - i. the decline in inflation per share as set forth in Table 1; or
 - ii. the purchase price per share less the sales price per share.
- c. retained beyond May 3, 2010 but sold before July 30, 2010, the Recognized Loss per share is the lesser of:
 - i. the decline in inflation per share as set forth in Table 1; or
 - ii. the difference between the purchase price and the sales price; or
 - iii. the purchase price per share less the price per share identified in Table 2 below for the date the share(s) were sold.
- d. retained on July 30, 2010, the Recognized Loss per share is the lesser of:
 - i. the decline in inflation per share shown in Table 1; or
 - ii. the difference between the purchase price per share and \$42.70 per share.

Each Claimant's Recognized Gains, if any, will be computed as follows:

For each share of Baxter common stock purchased or otherwise acquired during the period June 10, 2009 through July 15, 2009, and:

- a. sold within the same period, the Recognized Gain per share is zero.
- b. sold during the period July 16, 2009 through April 21, 2010, the Recognized Gain is the lesser of:
 - i. the increase in inflation per share of \$1.34; and
 - ii. the sale price per share less the purchase price per share.
- c. retained beyond April 21, 2010, the Recognized Gain per share is zero.

In addition, a Class Member will have recoverable damages only if he, she or it had a net loss, after all profits from the Class Member's transactions in Baxter common stock during the Class Period are subtracted from all losses incurred on the Class Member's transactions in Baxter common stock during the Class Period.

ADDITIONAL PROVISIONS

If a Class Member held Baxter common stock at the beginning of the Class Period or made multiple purchases, acquisitions or sales of Baxter common stock during or after the Class Period, the starting point for calculating a Claimant's Recognized Claim is to match the Claimant's holdings, purchases, and acquisitions to their sales using the FIFO (*i.e.*, first-in-first-out) method. Under the FIFO method, Baxter common stock sold during the

Class Period will be matched, in chronological order first against Baxter common stock held at the beginning of the Class Period. The remaining sales of Baxter common stock during the Class Period will then be matched, in chronological order against Baxter common stock purchased or acquired during the Class Period.

Purchases or acquisitions and sales of Baxter common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. The receipt or grant by gift, inheritance or operation of law of Baxter common stock during the Class Period shall not be deemed a purchase, acquisition or sale of Baxter common stock for the calculation of Recognized Claims, unless (i) the donor or decedent purchased or otherwise acquired such shares of Baxter publicly traded common stock during the Class Period; (ii) no Proof of Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of Baxter common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.

A Claimant’s Recognized Claim shall be the amount used to calculate the Claimant’s *pro rata* share of the Net Settlement Fund. If the sum total of Recognized Claims of all Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share shall be the Claimant’s Recognized Claim divided by the total of the Recognized Claims of all Claimants, multiplied by the total amount in the Net Settlement Fund. No distribution will be made to Claimants who would otherwise receive a distribution of less than \$10.00.

Class Members who do not submit acceptable Proof of Claim Forms will not share in the Settlement proceeds. The Settlement and the Final Judgment and Order of Dismissal with Prejudice dismissing this Action will nevertheless bind Class Members who do not either submit a request for exclusion or submit an acceptable Proof of Claim Form.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim Form. If you are unsatisfied with the result, you may ask the Court, which will oversee the claims administration process, to decide the issue by submitting a written request.

Distributions will be made to Claimants after all claims have been processed and after the Court has finally approved the Settlement. If there is any balance remaining in the Net Settlement Fund after six (6) months from the date of the initial distribution of the Net Settlement Fund, Lead Counsel shall, if feasible, distribute such balance among Claimants who negotiated the checks sent to them in the initial distribution and who would otherwise receive a minimum of \$10.00. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is *de minimus* and such remaining balance shall then be donated to an appropriate non-profit organization designated by Lead Counsel and approved by the Court.
